Guidance Notes

North Tyneside Local Authority (LA) operates a Co-ordinated Admission Scheme with other Admission Authorities within the Borough, i.e., Academies, Catholic and Trust Schools and with neighboring Local Authorities. These include Gateshead, Newcastle, and Northumberland LA's. You can submit only **one** application form for consideration, which may include preferences for schools in other Local Authorities. You may express up to three preferences, we strongly advise that you name more than one school. If any of your preferences are for a school other than a North Tyneside School, then we will contact the appropriate Admission Authority of that school to enable a decision to be made on your application. If you live in North Tyneside, we will notify you of the decision to your preferences on **'National Offer Day' 16 April 2026**.

Equal Preference System

All Schools in North Tyneside operate an equal preference system. This means that each Admission Authority must consider any preference for the school regardless of the ranking on your application form. It means that an individual school will consider first, second and third preferences equally and apply their admission criteria to everyone who applied on time. If your child can be offered a place at more than one school a place will be allocated at the highest ranked school.

Admission Policies and Admission Criteria

You need to be aware that Academies, Learning Trust, Catholic and Church of England schools may have different admission policies and admission criteria, which decide how they allocate places. You will need to consider the Admission Policy for any school you express a preference for, to determine what criteria each school will use when they consider your application. Please note that you must consider how your child will get to a particular school as travel assistance is only available for eligible children. Please contact Home to School Transport to check if you will be likely to receive assistance.

All Admission Policies can be found in our booklet Essential Guide to North Tyneside Schools available at my.northtyneside.gov.uk

LATE Applications

If you return your application form after **12 January 2026**, your application will be considered as **'LATE'**, and you should be aware that this **will** reduce your chance of gaining a place at the school(s) you want. **You should state why your application is 'LATE'** – if you fail to do this, we will assume that you do not have any exceptional circumstances to allow the admission authority to consider your application along with those received on time.

Change of School Preference after 12 January 2026

Once you have submitted your application form you **cannot** change your preferences without a genuine reason i.e. you have moved address. Your original application will be cancelled and a new application must be submitted which will be considered as **'LATE'**. You should be aware that this **will** reduce your chance of gaining a place at the school(s) you want.

Address

When considering your application, the Local Authority will use the parental home address of the parent/carer who receives the child benefit or child tax credit for the child/children. Your home address is an important factor as school places are allocated based on the home address of each child. This must be the child's permanent home address, where he/she lives with a person of parental responsibility as the main carer (as defined by the Children Act 1989). If the address on your application form is not your child's usual address, you must provide a Child Arrangements Order, issued by a court, if you wish that address to be considered. You should be aware that each Admission Authority reserves the right to seek proof of address and to withdraw an offer of a place if inaccurate information is given on the application form. **If you change your address after the submission of the form, you must contact us in writing immediately or you can email us at: school.admissions@northtyneside.gov.uk**. Any school place offered will be based on the address on your application and the assumption that your child will still be resident at this address in September 2026. **Your application will need to be reconsidered at your new address if you move and have not informed us. A place may be withdrawn** – we may ask for proof of your new address. **You will be contacted to supply 'proof of residency' if any of your preferred schools are oversubscribed.**
