### Dance Festival 09.03.26

Mrs Getlevog and the Dance Club members did us proud on Monday night at the Whitley Bay Playhouse. They worked together during club sessions to come up with a routine which showcased everyone's gymnastic and dance skills. They were great on the night and the audience applauded loudly. They performed again in school on Thursday morning in front of the school who were very impressed by their performance. Well done everyone!

### Lego League Tournament 10.03.26

Mrs Nicholson and Miss Young have been running a lunchtime Lego club this term for children from years five and six and on Wednesday it was time for 'Forestbots' to take part in the tournament at the Village Hotel. Our team were up against teams from other primaries and local high schools. They tried their best at all of the missions and their presentation to the judges went down well but they were not placed in the final 3 this year. Forestbots enjoyed their day and picked up lots of ideas for next time.

### World Book Day 05.03.26

We all enjoyed snuggling up with juice, biscuits and books last week and were super comfy in our pyjamas. There was lots of talk about books we have enjoyed all week. The children were able to pick a 'pre-loved' book to take home and enjoy from books which people have kindly donated to school.

National  
Year of  
Reading  
2026

We are keeping our focus on encouraging the children to read for pleasure at home and school and to 'go all in'. In assembly today, each class told us about their favourite books and why they enjoyed them. We want children to read something every day to improve their reading fluency and enjoyment. We ask parents to encourage their children to read at home too and sign their reading record whenever they have listened to them read.

### New look website

We hope you have had a look at our new website design. We are still getting to grips with how to upload new information following our training session. We have retained the scrolling banner feature for any important information and/or events.
